1. Welcome to Issue 4

Welcome to the 4th edition of MORC Creations monthly newsletter.

Hopefully, you have been following us through both our newsletters and our online postings.

In this newsletter, we will discuss what's been happening at MORC Creations during June including development progress and releases. We will also provide an updated calendar of releases for 2021.

2. What's Happening at MORC Creations in June?

June has been another busy month for MORC Creations with the release of two new products: our new My Notebook Version 1.0 and My Novel Writer Version 3.0. We have also been working hard on continuing our development of My Research Tracker and My Pet, both of which are due for release in July.

My Notebook Version 1 is available for just \$10 and is available at <https://www.morccreations.co/my-notebook>, while My Novel Writer Version 3 is available for just \$29.99 and is located at <https://www.morccreations.co/my-novel-writer>.

This month MORC Creations also welcomes our new Social Media Specialist Lauren. Lauren has already demonstrated great design skills during her interview. We are greatly looking forward to seeing lots of fantastic new posts coming from her starting this month and going into the future.

Our icon developer Kathleen has also completed creating some more great new icons for My Pet and My Research Tracker, coming out in July.
