2. What's happening at MORC Creations during July?
3. Our Competition Winners
4. What's Coming to MORC Creations in August
5. Updated MORC Creations product roadmap for 2021

# 1. Welcome to Issue 5

Welcome to the 5<sup>th</sup> edition of MORC Creations monthly newsletter.

Hopefully, you have been following us through both our newsletters and our online postings.

In this newsletter, we will discuss what's been happening at MORC Creations during July including development progress and releases and we will also provide an updated calendar of releases for 2021.

## **2. What's Happening at MORC Creations during July?**

July has been another busy month at MORC Creations with the completion and release of the new My Pet product, the third of the complementary set of three applications: My Puppy, My Kitten and My Pet.

Unfortunately, the proposed release of My Research Tracker version 3.0 has now been postponed until mid-August due to other product commitments.

Development of our Universe Builder version 3.0 product is still progressing well with the biggest focus now being on the creation of the new dynamic scripting feature; including the script editor, script compiler and execution engine. More details surrounding this will be released during August and September, heading towards the November release.

As part of this month's highlights, I would like to congratulate our social media consultant Lauren on all her wonderful work producing all our great new social media postings.

### 3. Our Competition Winners

As of midnight the 30<sup>th</sup> July our two current competitions are now complete:

- Buy a copy of My Puppy or My Kitten and be in the draw for a \$500 gift voucher for Pet Barn, Competition ends 31<sup>st</sup> July.
- Write a clever caption for our Universe Image for a chance to win a free copy of Universe Builder v2.0

And the winners are:

**Pet Barn Gift Certificate:**

Unfortunately, nobody purchased either My Puppy or My Kitten during the competition period, so the prize has gone unclaimed.

The good news is MORC Creations will now extend the My Puppy & My Kitten competition until the end of August and also make it inclusive of the new My Pet product as well.

So, now if you buy a copy of My Puppy, My Kitten or My Pet before the end of August you'll be in the draw to win the \$100 pet barn gift card – and be assure someone will win it this time!

## Free copy of Universe builder version 2.0:

And the winner is:

Rosemary Anne Berrell for her comment:

“Will this be our new home?”

From a range of comments that came in from our linked-in and Facebook pages.

## **4. What's Coming to MORC Creations in August**

**So what's happening in MORC Creations in August?**

**Well to start with, our latest version of My Research Tracker will be released with a impressive range of new functionality and features.**

**There'll be more fantastic posts coming from our in-house Social Media developer Lauren along with some surprise new competitions and giveaways.**

**So, keep checking back with us throughout the month to see what's happening at MORC Creations.**
